Erasmus+ Funding Conditions for Internships Abroad

- Students must be enrolled at the University of Applied Sciences Würzburg-Schweinfurt
- The internship must take place at a public or private institution/organisation in a country participating in the programme
- The internship must be part of a degree programme and take at least two months, but not more than twelve months.

The following institutions/organisations are not eligible as hosts:

- EU institutions and other EU organisations including specialised agencies (for a complete list please follow http://europa.eu/european-union/contact/institutions-bodies_en)
- Organisations/Institutions administrating EU programmes (e.g. national agencies), to avoid conflicts of interest or double funding.

Internships with a monthly payment of more than EUR 800.00 will not be considered when grants are awarded.
