Cultural program for international guests

The International Office of the University of Applied Sciences Würzburg-Schweinfurt wants to ensure that visiting professors, guest lecturers and guest employees have the best time possible. This includes a cultural program that enables the guests to get to know Würzburg and Schweinfurt as cities and to experience their cultural diversity.

The „Nachtmusik“ as part of the Würzburg Mozart Festival

Guest professors and guest employees from Argentina, Spain and Jordan currently working at the FHWS Würzburg enjoyed the "Nachtmusik" together on June 15, 2022, as part of the Würzburg Mozart Festival, which took place for the 101st time this year. The invitation and organization was provided by the International Office of the University of Applied Sciences Würzburg-Schweinfurt.
